

CURRICULUM STATEMENT

Chester Career College takes seriously its mission to “train and place students in jobs for which they have been trained.” In order to accomplish this mission, we must take measures to evaluate the success of our educational programs. A Curriculum Plan has been developed and implemented to meet this objective.

The primary purpose of the Curriculum Plan is to ensure that appropriate procedures are established and followed to maintain current and relevant educational programs. Evaluation and feedback are sought from students, faculty, advisory committee and employers of graduates. We also comply with all regulatory agencies requirements from the following agencies:

- Council on Occupational Education (COE)
- State Council of Higher Education for Virginia (SCHEV)
- Commonwealth of Virginia, Board of Nursing
- Commonwealth of Virginia, Board of Pharmacy
- Commonwealth of Virginia, Board of Barbers and Cosmetology
